

Hello to our incoming 6<sup>th</sup> graders!

The 6<sup>th</sup> grade math team is excited to meet y'all in August!  
We are going to do many fun things next year in math, and of course, learn a lot of new skills!

We hope you have a fabulous summer, and that you find some time to work on the summer math packet. We know you learned 36 new benchmarks in 5<sup>th</sup> grade, so we picked 9 (Algebraic Reasoning) that we believe to be most helpful when entering 6<sup>th</sup> grade. It is not required, but it is "highly recommended" 😊.

We are eager to meet you in August, and anticipate a fabulous 2023/2024 school year!

Your 6<sup>th</sup> grade math team,  
Mrs. Heinl, Mrs. Drake, and Miss Burgess
